Both the Yellow and Blue Door Classrooms will be heading down to the PAC on Thursday morning to see "Lewis and Clark; A Celebration of American Team Work." We'll leave just after 10:00 a.m., have lunch in San Luis, and return to school for afternoon classes. Please remember to leave booster seats at school for those who use them.

School drinking Water

We are excited to announce that Santa Lucia School has switched from Culligan's R.O. water to San Luis Obispo's own Crystal Springs Co. water.

Our reason comes from a growing awareness of how important pure, clean, balanced water is to our bodies. Only healthy, mineralized water has the ability to support life: after all we are 70 percent water!

For anyone wishing to join the Crystal Springs water family, they, as well as our school will receive three five gallon bottles free. Check in at

www.crystalspringswaterslo.com

For more information on full spectrum structured water, visit:

www.dancingwithwater.com As MJ Pangman & M. Evans wrote, "let our dance with water begin".

Thanks to the Chon Family for cleaning the school over the past weekend.

Thank you, Clark Baird for making and donating another set of your awesome stepping stones. They sure make a difference in the improved appearance of our pathways.
