Parent Teacher Student Conferences

It was a good week getting to talk with everyone! Thank you for making the time and arranging your schedules so you could meet with the teachers. As always, let's keep in touch as the year progresses. We sure love spending our days with your children.

Heart to home fundraiser

Time is ticking...hopefully the elves are busy in the final line of production! Mark your calendares for November 23rd and 24th, the days before our Thanksgiving break and get ready to holiday shop at school at drop off and pick up. Convenience at its best! Remember also to fill out the paperwork for Sylvia with description of your creations.

Staff Day

Our staff, including childcare provider Kari Helberg, spent all day Friday refreshing our CPR and first aid skills. Good news. All the mannequins were saved! Seriously, it felt good to practice everything again as a team. Many thanks to our brave and knowledgeable instructor, Kathy Flanagan. We can't thank Kathy enough who took one of her precious vacation day to train us.

PARENT PARTICIPATION news

Please note: There is a school work day scheduled for **THIS WEEKEND**: Saturday, November 14th from 8-12. A great opportunity to help the school with some much needed maintenance as well as completing some PPH.

Thank You,
John Flanagan
