Heart to Home fundraiser

Last week to prepare for this one of a kind event. It's down to the wire for putting the final touches on those crafty donations.

Be sure to make some extra time next Monday and Tuesday to holiday shop at school at drop off and pick up. Sylvia will answer any questions you may have.

Snow Trip, Feb. 5 - 7, 2016, Reserve Now

It's time to sign up for the all school family weekend! We'll be staying at Montecito Lake Resort which is located between Kings Canyon and Sequoia National Parks. It's a family friendly lodge with an old-school National Park lodge vibe. We have been there several times as a school and have always enjoyed our stay. We like the large community rooms with the giant fireplace for gathering together for meals, games, ping pong, and evening recreation. Cross country skiing, snowboarding, ice skating, snow tubing, snowshoeing, and even a heated jet spa are the winter activities, weather permitting. The package includes accommodations (lodge rooms, suites, or new forest cabins), delicious buffet meals, 24 hour beverage and snack bar, and these seasonal activities. (Rentals and lessons require an extra charge.)

To reserve your spot, please fill out the reservation form which will be in this Thursday's Independent Study. Forms and payment should be returned to school by Monday, November 30. Checks should be made out to Santa Lucia School. Questions - see Jan.

30 Year Anniversary Celebrations

As you know, this is Santa Lucia School's 30 Year Anniversary. We're planning a couple of special ways to celebrate.

Adult Celebration, Saturday, January 23

Four Lanterns Winery (formerly Sycamore Farms) will host past and present SLS adult family members and other supporters for a gratitude party. You're invited to come by from 4:00 - 7:00 p.m. for refreshments. Meet people who have been part of Santa Lucia's past. Tell stories and reminisce. For those 21 years and older.

Snow Trip, Montecito Sequoia Lodge, Feb. 5 - 7

Yes! Alumni are invited this time around! Perhaps a girls' weekend of alumni moms or a weekend with high school aged alumni friends (parental supervision required). Space may be limited, but we will be able to accommodate alumni, first come - first served. Let people know!

Children's Open House, Saturday, April 16

We'll open the school up to friends and visitors and host an Open House on campus, 1:00 - 4:00 p.m. We're planning some kid friendly activities as well as an opportunity to tour the school. Hoping to have a "tree house" platform to explore!

Santa Lucia Shirts

The new Santa Lucia School 30th Anniversary design is now available. All you need to do is bring a t-shirt and a \$10 donation and Joe Kalionzes will silkscreen his original creation on to your shirt. All proceeds go to our Heart to Home Fall fundraiser for the scholarship fund. Thank you Joe!

SLS WORK DAY THANKS

We had a successful work day on Saturday! Thanks to all who came out to move mulch, paint, and repair benches. We thank Correne Knowles & Angel Chairez and their son Skylar, Bob & Kait Hallmark, Jeff Priest, Damian Grindley, Kari Helberg, Corinne Wilson, Evan Eberle, Gary Madgett and John Flanagan.

THANK YOU...

Thanks to the Madgett Family for cleaning the school over the weekend. Thank you, Elizabeth and Alexandra Chamberlain, for the pasta dish to share. And thank you, Stacy Burk, for another month's worth of Marvelous Monday Bread. Nanette always appreciates any and all snack contributions!
