

# Santa Lucia School Parent Letter

November 24th 2015

## HEART TO HOME FUNDRAISER

Have you stopped by to see all those treasures on offer? Last chance to take care of some stress free shopping while simultaneously contributing to our wonderful Santa Lucia School. There are still plenty of goodies left!

Thank you, Sylvia Barker, for spearheading this great effort.

## MOON WOLF'S VISIT

Janise Rennie, "Moon Wolf," came to campus yesterday and renewed our Medicine Wheel. With a ceremony of gratitude, we all had the opportunity to give thanks for one thing by adding a pinch of tobacco to a red prayer bundle which is now tied to part of the Medicine Wheel. Moon Wolf also led the student body in a guided meditation to find our power animal. Their individual stone, with the one word that was given to them during the meditation, has found its way home. Ask your student/s about the inspiring experience.

## SNOW TRIP, FEB. 5 - 7, 2016, RESERVE NOW

It's time to sign up for the all school family weekend! We'll be staying at Montecito Lake Resort which is located between Kings Canyon and Sequoia National Parks. It's a family friendly lodge with an old-school National Park lodge vibe. We have been there several

times as a school and have always enjoyed our stay. We like the large community rooms with the giant fireplace for gathering together for meals, games, ping pong, and evening recreation. Cross country skiing, snowboarding, ice skating, snow tubing, snowshoeing, and even a heated jet spa are the winter activities, weather permitting. The package includes accommodations (lodge rooms, suites, or new forest cabins), delicious buffet

meals, 24 hour beverage and snack bar, and these seasonal activities. (Rentals and lessons require and extra charge.)

To reserve your spot, please fill out the reservation form that came home in last week's Independent Study. Forms and payment should be returned to school by Monday, November 30. Sorry, no refunds. Checks should be made out to Santa Lucia School. Questions - see Jan.

## THANK YOU...

Thanks to the Flanagan Family for cleaning the school over the weekend.
