Green door class Traveling education

Last Thursday (October 8, 2015) the green door class visited the Unitarian Universalist church, which is actually a combination of the Unitarian and Universalist churches. After visiting the room where the main services are given and having the pastor answer our questions, we got a tour of the rest of the place. During the main service the kids sit in on the first part and then go to different rooms and work on a project(s). Last Sunday the kids made muffins for the people who would be sleeping in the church that night (the church was providing a place for the people in the homeless shelter to sleep at night for the month of October).

Corn Maze and Pumpkin Patch Field Trip - Wednesday, Oct. 21

Next Wednesday, the Blue and Yellow Door Classes will be heading up to the River K Ranch east of Paso Robles to explore their gigantic corn maze. We'll also get to bring home a little pumpkin and enjoy an authentic horse drawn hayride. Autumn fun for all! We'll leave school at 9:30 p.m. The Blue Door Class will visit the Barney Schwartz Park in the afternoon and return to school by 2:30 p.m.

PARENT PARTICIPATION news

Here are some great opportunities for you to chip away at some of those hours....

- Facia Painting on the art building.
- Irrigation Box Repair in the Parking Lot
- Picnic Bench repair and Painting
- Prune Hedge(s) out on the road
- Please call John Flanagan if you plan to tackle any of these projects. 459-7673

It is important that, if you plan completing one of these tasks, you let me know, so that I don't send another family to do a job that they come to find already completed. Thank you, John Flanagan

Choices Regarding Vaccinations

SB 277 will become law on July 1, 2016. Parents wishing to file a Personal Belief Exemption form must do so before January 1, 2016, if you haven't already. A flyer with all the details is posted at the Kiosk and on the Parent Board next to the office. Also, a reminder for our parents of unvaccinated or partially vaccinated students will be sent home in this week's Independent Study. Thank you, Stacy Burk (805-234-7160) for keeping us up to date on this issue.

THANK YOU...

Thanks to the Wilson Family for cleaning the school over the weekend.

GREAT JOB, Melanie Chon for being a first-rate star thistle remover!

Thank you Cortney Lansky for repairing the Terrace Garden gate and the front door stopper. Much appreciated!

The Green Door classroom students thank Vallar Walba, Amanda Grindley, and "stand-by" Tim Hawkins for driving them to the Unitarian Universalist fellowship in San Luis Obispo last Thursday.
