We'll also get to bring home a little pumpkin and enjoy an authentic horse drawn hayride. Autumn fun for all! We'll leave school at 9:30a.m. The Blue Door Class will visit the Barney Schwartz Park in the afternoon and return to school by 2:30 p.m. The Yellow Door Class will have lunch at the Pumpkin Patch and then return to school for afternoon classes.

## PARENT PARTICIPATION NEWS

Here are some great opportunities for you to chip away at some of those hours....

- Fascia painting on the art building.
- Irrigation box repair in the parking lot
- Picnic bench repair and painting
- Prune hedge(s) out on the road
- NEW ITEM: -we need help with the fish pond. If someone has a pond skimmer and some patience, the pond is filling up with leaves and the filter needs a good cleaning This may need to be done once now, and again at the end of November.
- Please call John Flanagan if you plan to tackle any of these projects. 459-7673

\*\*\*It is important that, if you plan completing one of these tasks, you let me know, so that I don't send another family to do a job that they come to find already completed.\*\*\*

Thank You, John Flanagan
